

AVON DIAMOND CLUB

PROGRAM

**JANUARY 3, 2024 (CAMPAIGN 1, 2024) -
DECEMBER 31, 2024 (CAMPAIGN 26, 2024)**

Our most dazzling reward program to date, the Avon Diamond Club Program rewards and recognizes PRP members who are Gold Leaders and above for building higher team sales.

In 2019, for every million dollars (U.S.) in team sales, achievers earned a half-carat Swarovski Diamond* placed beautifully on an exclusive chain necklace. The necklace is the ultimate statement of success — a unique, meaningful piece you can build over time. For every additional U.S. Million Dollar threshold your team sales hits since 2019, you will be awarded a new diamond at end of the cycle, providing you are an eligible Gold Leader+. There's no limit to how many diamonds you can earn!.

At Avon, we're all about rewarding and recognizing your success, and we love to see our best and brightest shine. Keep going to hit your goals and earn your diamonds!

*Each diamond is lab created by our partners at Swarovski.
